

# Schottky, PIN and Varactor Diodes

High performance and high reliability RF and microwave diodes for your demanding applications

## Reliability Levels Available

Product Type	Commercial Grade	Military Class H (MIL-PRF-38534)	Military JANTX (MIL-PRF-19500)	Military JANTXV (MIL-PRF-19500)	Space Class K (MIL-PRF-38534)	Space JANS (MIL-PRF-19500)
PIN Diodes	•	•	•	•	•	•
Schottky Diodes	•	•	•	•	•	•
Varactor Diodes	•	•	•	•	•	•

- LTCC packaging technology
- Offered in hermetic surface mount packaging
- Suitable at frequencies as high as 24 GHz
- Beam leads and chips for space / military applications
