

## NEW PRODUCT ANNOUNCEMENT

# Skyworks Introduces SPDT Switches for High Power Access Points and Routers

### SKY13348-374LF and SKY13370-374LF

Skyworks Solutions, Inc. has introduced a family of high power 50 Ohm terminated, single-pole, double throw switches. The small-package [SKY13348-374LF](http://www.skyworksinc.com/Product.aspx?ProductID=810) and [SKY13370-374LF](http://www.skyworksinc.com/Product.aspx?ProductID=848) are ideal for high power access points and router applications given their matched ports which reduce low noise amplifier pulling and deliver better system performance. Additional features include low insertion loss, high isolation and high linearity for improved data throughput.

The data sheets can be found at:

**SKY13348-374LF:** <http://www.skyworksinc.com/Product.aspx?ProductID=810>

**SKY13370-374LF:** <http://www.skyworksinc.com/Product.aspx?ProductID=848>

### Sales and Technical Support

Pricing depends on quantities. Please contact a sales representative at [sales@skyworksinc.com](mailto:sales@skyworksinc.com) or visit the company's Web site at [www.skyworksinc.com](http://www.skyworksinc.com) for more information.

### New Products

New products are continually being introduced at Skyworks. For the latest information, please visit the new products section of our Web site at [www.skyworksinc.com](http://www.skyworksinc.com).

### About Skyworks

Skyworks Solutions, Inc. is an innovator of high reliability analog and mixed signal semiconductors. Leveraging core technologies, Skyworks offers diverse standard and custom linear products supporting automotive, broadband, cellular infrastructure, energy management, industrial, medical, military, and mobile handset applications. The Company's portfolio includes amplifiers, attenuators, circulators, detectors, diodes, directional couplers, front-end modules, hybrids, infrastructure RF subsystems, isolators, mixers/demodulators, optocouplers, optoisolators, phase shifters, PLLs/synthesizers/VCOs, power dividers/combiners, receivers, switches, and technical ceramics.

Headquartered in Woburn, MA, Skyworks is worldwide with engineering, manufacturing, sales and service facilities throughout Asia, Europe, and North America. For more information, please visit Skyworks' Web site at: [www.skyworksinc.com](http://www.skyworksinc.com).

 Through our Green Initiative™, we are committed to manufacturing products that comply with global government directives and industry requirements.
